Through the [National Backpack Program](#), which is now in its 11<sup>th</sup> year, the Office Depot Foundation will help deserving children prepare for school by donating specially designed [sackpacks](#) across the United States and internationally. The [sackpacks](#), which come in five colorful designs, reflect and respond to changes in the ways that children are taking their materials to school.

"We are thrilled to donate these very cool [sackpacks](#) to more children in a single year than ever before.
